Exclusively imported by AUTOMATIC GAMES & MUSIK CO, LTD

WALL VIDEO

Wall video games are a completely new concept for the leisure industry.

This means completely new locations for fast taking video wall games.

Fits all locations where the normal video games will not go.

Wall video games can be supplied to suite any location. Either in a wood grain finish or colour finish.

Every game is built to fit a common wall mount, supplied with every game.

A special stand can be supplied as a optional extra (see picture).
